

St George's Church Diagrammatic Plan

Using the spaces

Area A is the main seating area for about 150 people

Areas B, C and D are additional seating areas for about 40 (restricted view in areas B and D)

Areas E seats about 25 people, could be 'wing' or a crèche area and directly links to the annex with three meeting rooms

Area F is flexible (circulation, some seating or lower level performance)

Area G has a folding screen so is a separate meeting room. With the screen opened, it seats about 25 people, could be 'wing' or a crèche area

Area H is the main performance area, is level and slightly raised. It easily accommodates temporary staging

Areas H and F can be combined and form an open space which could have many uses such as drama/dance groups, Pilates etc
